

Your Man Chords & Lyrics – By Josh Turner

Capo 3rd fret Drop D Tuning

Intro – D-G-D-A-D

Baby lock the door and turn the lights down low
Put some music on that's soft and slow
Baby we ain't got no place to go - I hope you understand
I've been thinking 'bout this all day long
Never felt a feeling quite this strong
I can't believe how much it turns me on - Just to be your man
There's no hurry - Don't you worry - We can take our time
Come a little closer - Lets go over - What I had in mind
