

You're Out Doing What I'm Here Doing Without Gene Watson

Intro - G-D-G

G D
You've been staying out late - almost every night

G
While I sit home and wait for you sometimes until it's daylight

C
You think that I'm a fool that I don't know what it's all about

G D G
But I think that you're out doing what I'm here doing without

C G
Girl I wanna tell you that you're late hours are bringing me down
You're so tired when you come home at night that you don't even care that I'm

D
Around

G C
If you'd just love me like you used to you'd make me wanna jump and shout

G D G
And I think that you're out doing what I'm here doing without

Break ... G-C

G D G
And I think that you're out doing

D
It's a sad situation when you don't get no loving at home

G
And if you don't watch your step girl you're gonna find yourself all alone

C
Still you think that you can get by as long as you can keep me in doubt

G D G
But I think that you're out doing what I'm here doing without

C G
I don't know how long that I can put up with what you're putting me through
D
Half the time I don't know where you are or what you are up to
G C
And you don't even care when you think that I'm a little put out
G D G
And I think that you're out doing what I'm here doing without
D G
Well I know that you're out doing what I'm here doing without
