You’re Still Beautiful To Me
Bryan White

Intro - Em-G-D

D
Turn out the lights - and close the door
Put your head on the pillow - let me - keep you warm
I wanna run my hands across your face
Yeah lyin' beside you still the - perfect place

Bm             A     Em                  Bm                 A      Em
We're still goin' strong - I'm so glad that you came along
A7sus  A7     A7sus        A7             D    Em   G    D
Yeah babe in every way - You're still beautiful to me

Lay back, baby, and close your eyes
Let me do everything your heart desires
When I think of the years makin' love to you
There still ain't nothin' that I'd - rather do

Bm              A    Em
Yeah there's somethin' I can't deny
Bm                        A            Em
You sure know how to move this guy
A7sus  A7     A7sus        A7             D   Em   G   D
Yeah babe in every way - You're still beautiful to me ... yeah

Em                     G
Yeah, still feels good - still runs deep
D
When you get close babe I still get weak
Em                                   G
'Cause in these arms is where - you belong

We're still goin' strong - I'm so glad that you came along
Hey babe you're still number one
And you'll always be? - You're still beautiful to me
In every way - You're still beautiful to me
Still feels good - Lay back close your eyes
Do everything that your heart desires -----------yeah
