Capo on 3rd --- Intro – G

```
C                Em       Am            Em
Every time we meet, everything is sweet
D                          G
Oh, you're so tender, I must surrender
C                          D
My love is your love, now and forever

G                            C                        D                        G
You're the one that I long to kiss , baby, you're the one that I really miss
                               C                        D                        G
You're the one that I'm dreamin of baby, you're the one that I love

C                      Em     Am            Em
Keep me in your heart, never let us part
D                            G
Ooh, never leave me, please don't deceive me
C                      D
I want you only, you must believe me

G                            C                        D                        G
You're the one that I long to kiss , baby, you're the one that I really miss
                               C                        D                        G
You're the one that I'm dreamin of baby, you're the one that I love

D     C              D           C                    D                      Em
I adore you and no one before you could make me feel this way, yeah
C                                                                          D     D7
Since I met you I just can't forget you, I love you more each day  yeah
```

Break – G-C-D-G-C-D-G

```
C                      Em       Am                    Em
There may be some tears - through the comin' years
D                        G                          C                              D
Ooh all the while I know you'll be smilin', your love will guide me through
ev'ry mile 'cause
